Frequently Asked Questions:

I'm concerned that transitioning my teams to a new system and a new interface is going to be too much work.

We completely understand and have tools in place to help ease your transition. Our approach consists of integration automation & optimizations for your scheduling system, a team to guide you through a proven process with change management, training, and support.

There are many scheduling solutions on the market. How do I know if Andgo is right for me?

Andgo is the ideal solution for organizations with:

- ✓ High volume environments
- ✓ Complex scheduling needs (i.e. union rules)
- ✓ Shift filling and communication sent via text

We make a major impact on:

- Manual processes that are creating scheduling bottlenecks
- Transparency and auditing
- Efficiencies around equitable shift awarding
- Making more data-driven scheduling decisions
